The Ramones, 7-11

I met her at the 7-11 now Im in the 7th Heaveb tell me, tell me can this be true I never thought Id ever meet a girl like you

She was standing by the space invaders so I said Can I see you later yeah we went for a little Spin down to teh holiday inn

We was young and in love we was young and in love And youre the only girl Im ever thinking of

We went down to the record swap the kids were Dancing to the blitzkrieg bop bop-shoo-wop Shoo-wop shoo-wop bop-shoo-wop shoo-wop

What ever happened to the radio and where did all The fun sons go summer fun, with the beach boys on But we all know what went wrong oh-wo-wo

We was young and in love we was young and in love And youre the only girl Im ever dreaming of

And so we went down to the dance which turned Into a whole romance and after just one night I never knew things could be so right Oh-no-no-no-no-no-no

I kissed and hugged her and I said good-bye Last thing I knew she wouldnt make it alive Oncoming car went out of control it crushed My baby and it crushed my soul now all ive Got is sorrow and pain standing out here In the rain the crash, shattering glass, The sirens and pain is driving me insade oh-yeah

We was young and in love we was young and in love And youre the only girl Im ever thinking of Yeah, yeah, yeah, yeah, yeah
