The Ramones, I Love You

When I look in your eyes I see words I can't describe
And these words I'm tellin' you And I tell you I love you
Don't try to put me down Just because my back is turned around
I'm playing is strait for once cause baby I love you
I really do there's no one else like you, Baby I love...

Baby I love you No matter what you do
Baby I love you and I tell you I love you
Don't try to put me down Just because my back is turned around
I'm playing it strait for once baby I love you
I really do There's no one like you Baby I love...

Cause baby I love you I really do There's no one else like you
Baby I love you Baby I love you Baby I love you Baby I love you
Baby I love you Baby I love... Baby I love you no matter what I do
Baby I love you and I tell you I love you...
