

# The Ramones, I Wanna Live

I've been thinking it over  
And I know just what to do  
I've been thinking it over  
And I know I just can't trust myself  
I'm a Gypsy prince  
Covered with diamonds and jewels  
But then my lover exposes me  
I know I'm just a damn fool

## CHORUS:

I give what I've got to give,  
I give what I need to live  
I give what I've got to give, it's important if I want to live  
I wanna live  
I want to live my life  
I wanna live  
I want to live my life

As I load my pistol  
Of fine German steel  
I never thought I'd be so down and out  
Having my last meal  
But I know I can do it  
It just took a few years  
As I execute my killers  
The morning is near

## CHORUS

I wanna live  
I want to live my life  
I wanna live  
I wanna live my life  
I wanna live  
I want to live my life  
I wanna live  
I wanna live my life
