

# The Ramones, I Wanted Everything

I heard about the Easter bunny Presents under a Christmas tree  
It was dreaming and fantasy There was no Mom or Daddy  
I wanted everything I wanted everything I wanted everything

I had the world on my shoulder But I was getting older  
Knew I was ready for it Some kind of employment  
I wanted everything I wanted everything I wanted everything

All day working on a truck Bringing the groceries up  
Not much of a salary No tip for the delivery  
I wanted everything I wanted everything I wanted everything

There's no success for me Involved in a robbery  
There's money in the supermarket And I'm goin' in after it  
I wanted everything
