

The Ramones, I Won't Let It Happen

Got my sights, baby, set on you
The things she said, well, maybe they're true

But it's not gonna happen I won't let it happen
I won't let it happen Not again

Easy come, easy go, easily
But that's not how I want it to be

It's not gonna happen I won't let it happen
I won't let it happen Not again

Sitting all alone by the telephone
When are you coming home When are you coming home
Hey!

Easy come, easy go, easily
But that's not how I want it to be

And it's not gonna happen
I won't let it happen I won't let it happen
Not again Not again Not again Not again
