

The Ramones, Smash You

Hangin' out on the avenue
Looking for something to do
Didn't know when we first met
That you would be such a pest

Didn't go callin' on the phone
I don't need your dial tone
You been treatin' me so bad
You're the best girl that I ever had, so

Oh, oh, oh, oh, baby
Go, go, go, go, honey
Oh don't you know
You make me wanna smash you

Fighting on the avenue
I knocked some sense into you
Oh I know it's not enough
You think you're so damn tough

All this talk about suicide
Too many pills
Too many lies
Oh baby
You're no good you see
One, one, one get away from me

Oh, oh, oh, oh, baby
Go, go, go, go, honey
Oh don't you know
You make me wanna smash you

Oh, oh, oh, oh, baby
Go, go, go, go, honey
Oh don't you know
You make me wanna smash you
Ah, go!

Fighting on the avenue
You make me wanna smash you
You make me wanna smash you
Oh!

Hanging out on the avenue
Lookin' for something to do
He didn't know when we first met
That you would be such a pest

I picked up the phone it rings
Baby make me wanna smash your head
You been treatin' me so bad
You're the best girl I ever had, so

Oh, oh, oh, oh, baby
Go, go, go, go, honey
Oh don't you know
You make me wanna smash you

Oh, oh, oh, oh, baby
Go, go, go, go, honey
Oh don't you know
I know you know
You make me wanna smash you
Smash you
