

# The Ramones, You're my my kind of a girl

When I saw you on 8th street  
You could make my life complete, baby  
Yeah, Yeah, Yeah  
You're my-my kind of a girl  
And when I saw you by  
The jukebox, o-o  
You put a quarter in and played  
My favorite song too, baby  
Yeah, yeah, yeah  
You're my-my kind of a girl  
I think we'd look preety good together,  
Walking through a winter wonderland  
And this time I think it's forever  
I hope your parents understand  
When I saw you by the Peppermint Lounge  
You were lost but you've been found, baby  
Yeah, yeah, yeah  
You're my-my kind of a girl  
And when I saw you by  
The jukebox, o-o  
You put a quarter in and played  
My favorite song too, baby  
Yeah, yeah, yeah  
You're my-my kind of a girl  
I think we'd look preety good together,  
Walking through a winter wonderland  
And this time I think it's forever  
I hope your parents understand  
When I saw you on 8th street  
You could make my life complete, baby  
Yeah, Yeah, Yeah  
You're my-my kind of a girl  
And when I saw you by

You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl,  
You're my-my kind of a girl.
