

The Red Jumpsuit Apparatus, Cat And Mouse

Softly we tremble tonight,
picture perfect fading smiles are all that's left in sight,
I said I'd never leave you'll never change
I'm not satisfied with where I'm at in life.

Am I supposed to be happy?
With all I ever wanted, it comes with a price.
Am I supposed to be happy?
With all I ever wanted, it comes with a price.
You said, you said that you would die for me.

We made plans to grow old,
believe me there was truth in all those stories that I told.
Lost in a simple game cat and mouse are we the same people as before this came to light?

Am I supposed to be happy?
With all I ever wanted, it comes with a price.
Am I supposed to be happy?
With all I ever wanted, it comes with a price.
You said, you said that you would die for me.

You must live for me too
For me too, yeah, yeah
You said that you would die for me

Am I supposed to be happy?
With all I ever wanted, it comes with a price.
Am I supposed to be happy?
With all I ever wanted, it comes with a price.
You said, you said that you would die for me.
