[SUGA BUGA]

Relativez

Big Wy, Suga Buga

The takeover

Gangsterism

[SUGA BUGA]

Inglewood, California, home of the beast

Where niggas slang dope and say fuck the police

It ain't a safe place from the West to the East

Two door Caprice with a Tec on the seat

So sleep with your eyes open

Cause home invasions get popular

When niggas that clone the garage opener

All we ever did was tie up niggas (yeah)

Scrap 'em down with work and fly out bitches

Always been a big man, never a runner

Fake I.D.'s for the bitches Western Union the numbers

You don't want your lil' girl kidnapped from school

Tied by the feet and threw in a pool

You coochie-ass niggas

Relativez, the album

For the gangstas and the boo-gee-ass niggas

[BIG WY]

Relativez...
