

# The Replacements, Beer For Breakfast

All I wanna do is drink beer for breakfast  
All I wanna eat is them barbeque chips  
All I want is someone to just try and protect us  
You can try but never wanna try and defect us

I telling you I am through  
Mama's baby boy is a bum

All I wanna do is stay in this life  
All I wanna pick is your nose, honey, hi  
Sweet little corny you've gotta be husky  
I am dreaming of a white Christmas

Honey where I'm from  
Mama's baby boy is a bum  
Honey where I'm from  
Halle-fucking-lujah  
I'm a bum

Baby boy's a bum  
Baby boy's a bum  
Baby boy's a bum  
All I wanna do is drink beer for breakfast
