Secret to him in his mouth
Or were you reassuring him
In the battle of the sexes
There ain't no doubt

Kissing in action, a call to arms Can't fight the attraction K-k-k-kissing in action

Oh, oh Combat hand to hand Don't you wait for your mandolin fleece Warfare, well I'm fair When you're out of V.C.'s

I wait for you, I fight for you I got to lose, I got to do I wait for you, I wait no more
