

The Replacements, Shoot Me Kill Me (Demo)

I see ya
That's cold
And I'm still
So cold
Revolvers
And a (???)
Train 'em on (???)
And shoot me oh well

Shoot me
Fuck it now
I hold it now
Swing that bill around
Crowding round
Crowding round
And round and round

Shoot me kill me love me
If ya
Shoot me kill me love me
Fuckin', spittin', shootin', killin'
There ain't no time now
