

The Residents, Elvis And His Boss

Oh, I'm gonna be my baby, baby
Baby, but you see
My momma said
My momma said
My momma said to me
"My son I see the sunset lies
About a baby bee."
So if you see me
I'll be standing
Out on ole Broadway
Amused, abused, but not confused
I'm making my own way
Straight to the top
I'll never stop
I'll die before my day
