

The Riverdales, Back To You

Do you know it's always like you
To see the cruel feeling inside of me
Is it so hard to believe what you do to me?
Cause many times I think that there'll be no one else
I hope time will heal it so
But more than ever it's what I want to believe

[Chorus]

Whoa-oh-whoa-oh, I need you
Whoa-oh-whoa-oh, I do
Whoa-oh-whoa-oh, I need you now
But I know I'd be a fool to go back to you
But many times I have tried to run away
To overlook every word you say
Is it so hard to believe what you do to me?
And I can't help it I get sentimental
Each and every bone that drive me mad, oh
I know it's the way you'll always be
Whoa-oh-whoa-oh, I need you
Whoa-oh-whoa-oh, I do [x a lot]
