The Riverdales, Back To You

Do you know it's always like you To see the cruel feeling inside of me Is it so hard to believe what you do to me? Cause many times I think that there'll be no one else I hope time will heal it so But more than ever it's what I want to believe [Chorus] Whoa-oh-whoa-oh, I need you Whoa-oh-whoa-oh, I do Whoa-oh-whoa-oh, I need you now But I know I'd be a fool to go back to you But many times I have tried to run away To overlook every word you say Is it so hard to believe what you do to me? And I can't help it I get sentimental Each and every bone that drive me mad, oh I know it's the way you'll always be Whoa-oh-whoa-oh, I need you Whoa-oh-whoa-oh, I do [x a lot]
