

# The Robocop Kraus, You Don't Have To Shout

If I bring the bird down on Red Square  
You won't stay home  
And if i will dive under the Russian radar  
You won't stay home

Your condition will be modified

You don't have to shout  
You don't have to shout  
You don't have to shout  
We will go to Red Square

If i will fly into the face of the Russian regime  
You won't stay home  
When I'm back you will go out with me tonight  
Watch out his got a knife!

Your condition will be modified

You don't have to shout  
You don't have to shout  
You don't have to shout  
We will go to Red Square

I'll go down  
Watch out now  
I'll write history  
I'll write history  
I've been to the East  
I've been to the West  
The girls that i like most  
Are the ones who are dressed  
In that Cashmere sweater  
I want everything  
I'll write history  
I'll write history  
On Red Square
