

# The Rolling Stones, Don't Look Back

If it's love that you're running from  
There's no hiding place  
Just your problems, noone else's problems  
You'll just have to face  
But if you just put your hand in mine  
We're gonna leave all the trouble behind

Keep on walking - Dont look back!

If your first lover let you down  
There's something that can be done  
Don't fear the faith and love  
Remembering what will come  
So, if you just put your hand in mine  
We're gonna leave all the trouble behind

Keep on walking - Dont look back!
