

# The RZA, Ode To O-Ren Ishii

(RZA)

Aiyo, I wanna dedicate this song right here to O-Ren Ishii  
Half Chinese/Half Japane-see, Half American and yo  
Oh what a specie, a feminine perfection  
She got the sinister cat eyes and little freckles on her complexion  
Cheaper than Yakuza, but she's wicked like Medusa  
And she got Crazy 88 killers that'll slice right through ya  
Quick to chop a head off then wipe the blood off  
A long range sniper shot she bust, never let a dud off  
You got a minute to pray and a second to die  
You can see the image of the devil reflectin' inside her eye  
But since she was a little girl, yo, she never would cry  
She seen so much tragedy, let me explain to you why  
She grew up on the military base, where she had to face  
The brutality of her mother and her father being erased  
The blood drops from her tear drops, on her face you see the smear spots
