The Smashing Pumpkins, Ava Adore

It's you that I adore You will always be my whore You'll be a mother to my child And a child to my heart

We must never be apart
We must never be apart
Lovely girl you're the beauty in my world
Without you there aren't reasons left to find

And I'll pull your crooked teeth You'll be perfect just like me You'll be a lover in my bed And a gun to my head

We must never be apart
We must never be apart
Lovely girl you're the murder in my world
Dressing coffins for the souls I've left to die
Drinking mercury to the mystery
Of all that you should ever leave behind
In time

In you I see dirty
In you I count stars
In you I feel so pretty
In you I taste god
In you I feel so hungry
In you I crash cars
We must never be apart

Drinking mercury to the mystery
Of all that you should ever seek to find
Lovely girl you're the murder in my world
Dressing coffins for the souls I've left behind
In time
We must never be apart

And you'll always be my whore Cause you're the one that I adore And I'll pull your crooked teeth You'll be perfect just like me In you I feel so dirty in you I crash cars In you I feel so pretty in you I taste god We must never be apart
