The Smithereens, Groovy Tuesday

Woke up on a groovy Tuesday. Even my hangover's fine. Woke up on a groovy Tuesday. Hung my mind out on the line. Tuesday's groovy. Tuesday's groovy. Now, I know that nothing lasts. Woke up on a groovy Tuesday, Everything is not the same. Woke up on a groovy Tuesday. Think I'll even change my name. Tuesday's groovy. Tuesday's groovy. Now, I know that nothing lasts. And I can't help it if I'm not the one you need. It doesn't matter if I'm still the lost ball in the weeds. Woke up on a groovy Tuesday, Flower pot, man, looked my way. Woke up on a groovy Tuesday. I can see what he can't say. Tuesday's groovy. Tuesday's groovy. Now, I know that nothing lasts.
