

# The Smiths, Work Is A Four-Letter Word

Loving you is driving me crazy  
People say that you were born lazy  
'Cause you say that  
Work Is A Four-Letter Word

So change your life  
There is so much I know  
That you can do  
Come and see...

Wide-awake  
And take all of this love  
That is waiting for you

If you stay  
I'll stay right beside you  
And my love  
May help to remind you  
To forget that  
Work Is A Four-Letter Word

I don't need  
A house that's a showplace  
I just feel  
That we're going no place  
While you say that  
Work Is A Four-Letter Word

So change your life  
There is so much I know  
You can do  
Come and see...

Wide-awake  
And take all of this love  
That is waiting for you

If you stay  
I'll stay right beside you  
And my love  
Might help to remind you  
To forget that  
Work Is A Four-Letter Word  
Oh...

I don't need  
A house that's a showplace  
I just feel  
That we're going no place  
While you say that  
Work Is A Four-Letter Word

So change your life  
There is so much I know  
That you can do  
Please come and see...

Wide-awake  
And take all of this love  
That is waiting for you
