## The Spinners, Could It Be I'm Falling In Love

Since I met you I begun to feel so strange Every time I speak your name (that's funny) You say that you are so helpless too That you don't know what to do

Each night I pray there will never come a day When you up and take your love away Say you feel the same way too And I wonder what it is I feel for you

Could it be I'm falling in love (with you baby)
Could it be I'm falling in love (woo)
Could it be I'm falling in love
With you
With you
With you
(With you)

I don't need all those things that used to bring me joy You made me such a happy boy And honey you'll always be the only for me Meeting you was my destiny

You can be sure I will never let you down When you need me I'll be around And darling you'll always be The only for me Heaven made you specially

Could it be I'm falling in love (with you baby)
Could it be I'm falling in love (woo]
Could it be I'm falling in love
With you
With you
with you
(With you)

And darling you'll always be The only for me Heaven made you specially

Could it be I'm falling in love (with you baby)
Could it be I'm falling in love (I wanna know now baby)
Could it be I'm falling in love
With you
With you
With you
(With you)

[Instrumental Interlude]

And darling you'll always be The only for me Heaven made you specially

Could it be I'm falling in love (with you baby)
Could it be I'm falling in love (I wanna know now baby)
Could it be I'm falling in love
With you
With you
With you
(With you)

Could it be I'm falling in love

Could it be I'm falling in love Could it be I'm falling in love Could it be I'm falling in love Could it be I'm falling in love
