The Stanley Brothers, Let Me Walk, Lord, By You

In a church on Sunday morning Sat a man unwelcome there Judged by men and not by Jesus He lifted up his voice in prayer

Steer me on the righteous pathway Help me humbly to abide Hold me to your precious bosom Let me walk lord by your side

Several silent moments followed It seemed that no one was in that room Then a voice it roared like thunder Look for me I'm coming soon

Such a change I've never witnessed Tear filled eyes were plainly shown Gathered there around that stranger Saying God bless you welcome home
