

The Stooges, Not Right

She
Not right
I want something
I want something
Tonight
I want something
I want something
Alright
But she
Can't help
Cause she's not right

No no no no

And it's always
And it's always this way

I
Not right
She wants something
She wants something
Tonight
She wants something
She wants something
Alright
But I
Can't help
Cause I'm not right
No

And it's always
And it's always this way
And it's
Always
