

The Sweet, Stay With Me

Why don't you stay with me ?
Come on and play with me
You know I'm out of my tree

Honey, why did you walk away ?
When you knew I had something to say
Sittin' here drinking alone
Left wondering why you ain't gonna phone

But I know baby
That you were just sent for me
You're driving me crazy
I'm begging right down on my knees

Why don't you stay with me ?
Come on and play with me
You know i'm out of my tree

Lay down your love

I ain't satisfied
Cause you never tried
When making love was a matter of pride
I heard it from friends just the other day
That you're coming back maybe this time you'll stay

Whenever you're near me
I see the truth in your lies
Please open your heart to me
I'm begging you down on my knees

Why don't you stay with me ? yea, yea
Come on and play with me, yea, yea
You know I'm out of my tree

Baby, baby, baby, it's alright
Lay down yourlove, alright

Falling in love was'nt easy
But people need love, to survive
If I knew then
All the things I know now
These'd be more then enough to go round

Why don't you stay with me ? yeah yeah
Come on and play with me, yeah
You know I'm out of my tree

Baby baby babe it's alright
Lay down ya' love

Why don't you stay with me ?
Come on and play with me
You know I'm out of my tree

Baby, baby, babe it's alright
Lay down ya' love

Why don't you stay with me
Come on and play with me

Come on baby
You know it's alright
Lay down ya' love

Whoppie !
