The Thorns, Such A Shame

She sleeps alone without her clothes on While I dream of how things could have been She doesn't want me and I don't know why I left a message in the midnight sky But now I know she'll never find it

Maybe I'll see tomorrow But for tonight I know I'm blind

Such a shame (to want you) When you can't (belong to) Someone else Such a shame Ah-

You may be wrong and I'm not crazy Though I admit that I'm confused I waited patiently you walked on by I had to have you now I want to die So there's no way to justify it

Maybe I'll see tomorrow But for tonight I know I'm blind

Such a shame (to want you) When you can't (belong to) Someone else Such a shame Ah-

Such a shame
When you can't (belong to)
Someone else
Such a shame
It's such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame
Ah-
