

The Thrillseekers, Synaesthesia (Fly Away)

I need to know the reasons why
Can you forsake what you've been given
You took no time to justify
All the lies that you were living
I need to know...
If I give emotion
Will you show devotion
Or will you fly and fly away
If I give emotion
Will you show devotion
Or will you fly and fly away
Fly away...
You seem to run, you seem to hide
So are you scared of how you're feelin?
The time has come to live your life
So come with me and do some dreamin'
If I give emotion
Will you show devotion
Or will you fly and fly away
If I give emotion
Will you show devotion
Or will you fly and fly and fly and fly...
If I give emotion
Will you show devotion
Or will you fly and fly away
If I give emotion
Will you show devotion
Or will you fly and fly away
Fly away...
