

# The Turtles, She's My Girl

Mornin, Mornin Glory....

If you'd like to know where was I last night,  
Well, I saw a girl with a boy in her eye,  
And she's so outtasight.....

She's my girl,  
And that's where I was last night  
Off in a dream!  
She's my girl,  
I took her away last night:  
Went for a ride !  
Off in the sky, that's where I was last night.

I just come back to tell ya,  
There's a little bit of heaven  
Underneath the apple tree,  
And every time I see you with that smile on your face,  
There's a little bit there for me, and

She's my girl, and that's where I was last night:  
Went for a ride  
She's my girl, I took her away last night  
We went for a ride  
My girl and that's where I was last night  
Off in the sky

She's my girl, I took her away last night  
Off in the sky  
My girl and that's where I was last night  
Gettin' so high  
Off in the sky that's where I was last night  
She's my girl, I took her away last night  
We went for a ride  
My girl and that's where I was last night  
Gettin' so high  
My girl, I took her away last night  
Off in the sky  
My girl and that's where I was last night  
Gettin' so high
