

# The Twins, Tonight

I'm gonna ask you for your love  
I cannot wait for the break of day  
The sun will shine above  
And you will be so far away.

Though moments come and go  
I can see - This is the last with you.

This is the chance of a lifetime tonight  
Not gonna wait till you're out of sight  
This is dawn of a new day tonight  
Now that the time is right.

So in the silence of the night  
We must face up to our destiny  
The stars are shinnig bright  
And you are here in the dark with me.

Though moments come and go  
I can see - This is the last with you.

This is the chance of a lifetime tonight  
Not gonna wait till you're out of sight  
This is dawn of a new day tonight  
Now that the time is right.

This is the chance of a lifetime tonight  
Not gonna wait till the sky is bright  
This is the start of an era tonight  
Now that the time is right.

Though moments come and go  
I can see - This is the last with you.

This is the chance of a lifetime tonight  
Not gonna wait till you're out of sight  
This is dawn of a new day tonight  
Now that the time is right.

This is the chance of a lifetime tonight  
Not gonna wait till the sky is bright  
This is the start of an era tonight  
Now that the time is right.

Tonight - The chance of a lifetime tonight  
Tonight - The start of an era tonight.
