

# The Underdog Project, Miami

Everybody loves Miami (2x)  
Every body loves Miami  
The ocean drives to spend the days on the Jet Ski  
There's a one thing I know for the shore  
I don't want to leave this place no more  
Everybody loves Miami  
The ocean drives to spend the days on the jet ski  
There's a one thing I know for the shore  
I don't want to leave this place no more  
Beautiful people  
Beautiful life  
Where the boys and girls  
A jobbing double Dutch  
And the party goes all on night  
It doesn't matter  
where you come from  
But you can forget about that some love  
That you made in the floured sun  
When in the ocean kissing the san  
Beautiful win in good looking me  
Getting the room they waiting all the night  
In Miami  
Every body loves Miami  
The ocean drives to spend the days on the Jet Ski  
There's a one thing I know for the shore  
I don't want to leave this place no more
