The Vaccines, I Always Knew

Down, down in my bones Somewhere I'd never ever known Right at the back of my head

It hit me like a beam of light Hit me like ??? eye And I could have fell to the floor

'Cause you talk to me
And it comes off the wall
You talk to me
And it goes over my head
So let's go to bed
Before you say something real
Let's go to bed before
You say how you feel

'Cause it's you I always, always knew I oh, I always knew Oh, it's you

I try my best to unwind Nothing on my mind but you Oblivious to all that I'll owe I'm hanging on To what I don't know So let's go to bed Before you say something real Let's go to bed Before you say how you feel

'Cause it's you I always, always knew I oh, I always knew Oh, it's you Yeah it's you I always, always knew I oh, I always knew Oh, it's you

Well it's you I always, always knew I oh, I always knew Oh, it's you I knew, oh I always knew Yes I always knew Oh, it's you
