

The Veronicas, Double Trouble (Samey Samey)

We look the same, yeah, we look the same
We're twins so we look the same, oh yeah
Freaky twins gonna freak you out
Tell me this doesn't freak you out, oh yeah
We wear our school uniforms all week
Cause even know we left school years ago
We both can't pronounce our surname
It's Ori-glili-lili-dili-a-s-o
We don't even know each other
That's why we wear name tags
Did you even know twins speak their own language
Gotta look the same, gotta look the same
Gotta stand together and almost pash but not
Samey samey samey samey same same
We don't even know each other
That's why we wear name tags
Can't tell one from the other
Just ask our stund double
We are double trouble
Do not burst our bubble
See in double
I don't know which room to sleep in
Samey samey samey samey same same
Does anybody know we're twins?
