

The Verve, Monte Carlo

Monte Carlo

Dream....Dream....

Damaged...do you see through the scream...
Damaged...but I know I will survive
Damaged...but I guess I'll move on...

Dream....Dream...

Live this life before your soul's a small grain, in the sky...

Just keeping it, keeping it on, on ,on...
Just keeping it, keeping it on, on on...
Just keep it, keep it, keep it on, just keeping it, keep anything...

Dream...Dream...

Live this life before your soul's a small grain, in the sky

Damaged...do you see through the scream
Damaged...but I know I will survive
Damaged...but I guess I'll move on

To many people, to many dreams now, to many dreams now,
I gonna come out now, I've gotta come back now...

Dream...Dream..Yeah, Dream

Live your life before your soul's a small grain in the sky

Dream...Dream...

Live your life before your soul's a small grain in the sky
