## The Verve Pipe, Happiness Is

The world is giving you the run around it leaves you feeling low and let down But happiness is wherever you find it I'm not waiting for a friend beside me or for the Lord above to guide me My happiness is wheverever I find it and I wanna find it with you. Have you ever felt so out of place that the smile on you face was to keep from crying? I don't know how we get so out of touch but I don't want much just to find out what happiness is. While everybody else is winning you're stuck waiting for your new beginning but happiness is wherever you find it. You may be full of life's frustrations but I'm up for negotiations my happiness is wherever I find it and I wanna find it with you. Have you ever felt so out of place that the smile on you face was to keep from crying? I don't know how we get so out of touch but I don't want much just to find out what happiness is. If you've got your lucky break and broke it I guess you've got your options open but happiness is wherever you find it, yeah, and I wanna find it with you Have you ever felt so out of place that the smile on you face was to keep from crying? I don't know how we get so out of touch but I don't want much just to keep on trying People say a prayer every day that they'll end up with more than their nextdoor neighboor. I'm not buying all their ego trips but I'll get my kicks when I find out what happiness is What happiness is
