

The Vibrators, No Getting Over You

I've been up and I've been down.
Been all over this dirty town.
But I guess there's no gettin' over you.

Tried drinkin' in all your bars,
Tried lookin' up at all the stars.
But I guess there's no gettin' over you.

"Cos you knew all love's games.
An' I'm so broken now and in pain.
I guess I don't know,
How to put the pieces together again.

Ooh I'm losin' you,
My whole world's turned blue.
I guess there's no gettin' over you.
(Oh no)

Girls told me not to throw my heart away,
You know it's too late today.
I guess there's no gettin' over you.
