The Wanted, I Found You

She wants me to come over I can tell her eyes don't lie She's calling me in the dark She moves us around the room where the lights turn like the sky Confidence like a rock star

I wanna put my hands on her hands Feel the heat from her skin Get reckless in the starlight I'm moving to the beat of her heart I was so lost until tonight, tonight

I found you, in the darkest hour
I found you, in a pouring rain
I found you, when I was on my knees
And your light pulled me back again
Found you in a river of pure emotion
I found you, my only truth
I found you, with the music playing

I was lost til I found you, you, you Til I found you, you, you

The night is getting older And I can't come off this high I don't want this here to end I know she feels the same Cause I can see it in her eyes She says can we start again

I wanna put my hands on her hands Feel the heat from her skin Get reckless in the starlight She's moving to the beat of my heart We were so lost until tonight, tonight

I found you, in the darkest hour
I found you, in a pouring rain
I found you, when I was on my knees
And your light pulled me back again
Found you in a river of pure emotion
I found you, my only truth
I found you, with the music playing

I was lost til I found you, you, you Til I found you, you, you

I said, people
We're all looking for love tonight
But sometimes we can't see it
We run blinded by light
And we all get low, all get low
Searching for that piece of mind
Just when I've given up
Looking for some kind inside

That's when I found you, you, you I found you, you, you I found you, you, you I found you, you, you

I found you, in the darkest hour I found you, in a pouring rain I found you, when I was on my knees And your light pulled me back again Found you in a river of pure emotion I found you, my only truth I found you, with the music playing

I was lost til I found you
