

The Weather Girls, Dear Santa (Bring Me a Man)

Every time the holidays come along
I wanna be close to someone
Someone who cares
Someone who really understands (Hold him in my arms)
And hold him in my arms (In my arms)

Hi (Hi!)
We're your Weather Girls (Uh-huh)
And have we got holiday news for you! (You better listen)
This is an open letter to Mr. Santa Claus (Tell him, girl)
From all the single girls back home (Alright)

Bring me a man (Bring me a man, bring me a man)
This Christmas (Dear Santa)
I need a man (I need a man, I need a man)
To keep me warm (Keepin' me warm)
Oh, it's gettin' late, so send him here
I don't think I can make it through another year
Come on Santa, come through

Bring me a man (Bring me a man, bring me a man)
This Christmas (Dear Santa)
I need a man, yes I do (I need a man, I need a man)
To keep me home (Keepin' me home)
Oh, a gentle place, a strong embrace
A pillow and a blanket by the fireplace
Dim the lights down low and let it snow (This Christmas)
(Let it snow) And let it snow
(This Christmas)

I can almost feel him, feel his lips touching mine
And darling, I reach out
Reach out, reach out, reach out

I've been a good girl all year long
Done my best, right or wrong
Ain't been naughty, only nice
Check your list and check it twice
Can't you see it's just not fair?
Another cold night I just can't bear
Come on Santa, won't you please
Look at me? I'm on my knees

Oh, bring me a man (Bring me a man, bring me a man)
Woah-woah, this Christmas (Dear Santa)
I need a man (I need a man, I need a man)
Keepin' me warm (Keepin' me warm)

Fire's out (Fire's out)
The chimney's clean (Chimney's clean)
The fishnet stocking's up upon 'em don't mean a thing
Place him under my tree, Mr. C (Mr. C)

This Christmas (Dear Santa)
I need a man (Mr. C)
This Christmas
Fa la-la-la, fa la-la-la
Fa la-la-la-la
(Bring him, bring him, bring him...)
Come on, come on, come on
Come on, come on, come on
Come on, come on, come on
Dim the lights down low (Dim the lights down low)

Come on, come on, come on
Come on, come on, come on
Come on, come on, come on
Let it snow (Let it snow, let it snow, let it snow)
Let it snow (Let it snow)
Let it snow

Let it snow (Dear Santa)
Let it snow (Dear Santa)
Ooh, bring him in my arms
Do your best, but make it quick
Believe in me and I'll believe in you, Saint Nick
Place him under my, place him under my
Place him under my tree, Mr. C

Bring me a man, bring me a man, dear Santa
(Oh, Mr. C) I need a man, I need a man, this Christmas
Who's that comin' down my chimney?
Is that you, baby? (It's me, baby, Santa Claus)
(Ho-ho-ho)
(Mr. C) Bring me a man, bring me a man, dear Santa
(Mr. C) I need a man, I need a man, this Christmas
(Mr. C) Bring me a man, bring me a man, dear Santa
(Mr. C) I need a man, I need a man
