

# The Weeknd, Call Out My Name

we found each other  
i helped you out of a broken place  
you gave me comfort  
but falling for you was my mistake

I put you on top /2x  
I claimed you so proud and openly  
and when times were rough /2x  
I made sure I held close to me

so call out my name /2x  
when I kiss you  
so gently  
I want you to stay  
I want you to stay even though you don't want me  
girl, why can you wait /2x  
won't you call out my name  
girl, you call out my name  
and I'll be on my way  
I'll be on my

I said I didn't feel nothing baby, but I lie  
I almost cut a piece of myself for your life  
guess I was just another pit stop  
till you made up your mind  
you jusy waste my time  
you're on top

I put you on top /2x  
I claimed you so proud and openly  
and when times were rough /2x  
I made sure I held close to me

so call out my name /2x  
when I kiss you  
so gently  
I want you to stay  
I want you to stay even though you don't want me  
girl, why can you wait /2x  
won't you call out my name  
girl, you call out my name  
and I'll be on my way  
I'll be on my

on my way on my way on my way on my way  
on my way on my way on my way on my way  
on my way on my way on my way on my way

on, on
