The Weeknd, I Feel It Coming (ft. Daft Punk)

Tell me what you really like
Baby, I can take my time
We don't have to fight
Just to take it step by step
I can see it in your eyes
Cos they never tell me lies
I can feel that body shake
And the heat between your legs

You've been scared of love and what it did to you
You don't have to run
I know what you;ve been through
Just a simple touch and it can set you free
We don't have to rush
When you're alone with me

I feel it coming
I feel it coming, babe

Yu're nor the single type
So baby, this the perfect time
I;m just trying to get you high
And faded off this touch
You don't need a lonely night
So baby, I can make it right
You just got to let me try
To give you what you want

You've been scared of love and what it did to you
You don't have to run
I know what you;ve been through
Just a simple touch and it can set you free
We don't have to rush
When you're alone with me

I feel it coming
I feel it coming, babe
