

The Weeknd, Stargirl Interlude (feat. Lana Del Rey)

[Verse: Lana Del Rey]

I had a vision

A vision of my nails in the kitchen

Scratching counter tops, I was screaming

My back arched like a cat

My position couldn't stop, you were hitting it

And I shouldn't cry, but I love it, star boy

And I shouldn't cry, but I love it (I love it), star boy

And I shouldn't cry, but I love it, star boy

And I shouldn't cry, but I love it, star boy

[Outro: The Weeknd]

I just want to see you shine 'cause I know you are a star, girl

I just want to see you shine 'cause I know you are a star, girl

I just want to see you shine 'cause I know you are a star, girl

I just want to see you shine 'cause I know you are a star, girl
