

# The Weeknd, The Hills (remix feat. Eminem)

Your man on the road, he doing promo  
You said keep our business on the low-low  
I'm just tryna get you out the friend-zone  
Cause you look even better than the photos  
I can't find your house, send me the info  
Driving through the gated residential  
Found out I was coming, sent your friends home  
Keep on tryna hide it but your friends know

I only call you when it's half past five  
The only time that I'll be by your side  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me,  
I only call you when it's half past, five  
The only time I'd ever call you mine  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, babe
