

The White Stripes, China Pig

I don't wanna kill my china pig
I don't wanna kill my china pig
Man's gotta live
Man's gotta eat
Shoes are walking on the street
I don't wanna kill my china pig

Used to go to school
With a little red box
I used to have a dog with me
We'd walk for blocks
I don't wanna kill my china pig
I don't wanna kill my china pig
