

# The White Stripes, Expecting

Your mouth said this never  
but your fingers have shown me  
your head is so clever  
you claim that you own me  
forever  
forever  
forever  
forever

You have the right to conduct me  
in whatever fashion  
your attempt to construct me  
in the interest of passion  
you sent me  
to toledo  
toledo  
toledo

I came back with handfulls  
I did what you asked me  
but after the thank you's  
that you quickly got passed me  
I'm expected  
you're expecting  
I'm expected  
expected
