

# The White Stripes, Hello Operator

Hello operator  
can you give me number nine?  
can i see you later?  
will you give me back my dime?  
turn the oscillator  
twist it with a dollar bill  
mail man bring the paper  
leave it on my window sill

find a canary  
a bird to bring my message home  
carry my obituary  
my coffin doesn't have a phone  
how you gonna get the money?  
send papers to an empty home?  
how you gonna get the money?  
nobody to answer the phone
