## The White Stripes, I Just Don't Know What To Do

I just don't know what to do with myself I don't know what to do with myself planning everything for two doing everything with you and now that we're through I just don't know what to do

I just don't know what to do with myself I don't know what to do with myself movies only make me sad parties make me feel as bad cause I'm not with you I just don't know what to do

like a summer rose needs the sun and rain I need your sweet love to beat love away

well I don't know what to do with myself just don't know what to do with myself planning everything for two doing everything with you and now that we're through I just don't know what to do

like a summer rose needs the sun and rain I need your sweet love to beat love away

I just don't know what to do with myself just don't know what to do with myself just don't know what to do with myself I don't know what to do with myself
