

# The White Stripes, Its True That We Love One Another

Well it's true that we love one another  
I love Jack White like a little brother  
Well Holly I love you too but theres just so much  
That I don't know about you  
Jack give me some money to pay my bills  
All the dough I give you Holly  
You been using on pain pills  
Jack will you call me if you're able?  
I got your phone number written  
In the back of my bible  
Jack I think you're pulling my leg  
And I think maybe I'd better ask Meg  
Meg do you think Jack really loves me?  
You know, I dont care because Jack really bugs me  
Why dont you ask him now?  
Well I would but Meg, I really just dont know how  
Just say Jack, do you adore me?  
Well I would Holly but love really bores me  
Well maybe we should just be friends  
I'm just kidding Holly  
You know that I'll love you 'til the end  
Well it's true that we love one another  
I love Jack White like a little brother  
Well Holly I love you too but theres just so much  
That I dont know about you  
Holly give me some of your  
English lovin  
If I did that Jack I'd have one in  
the oven  
Why dont you go off and love yourself  
If I did that Holly there  
won't be anything left  
For anybody else  
Jack its too bad  
About the way that you look  
You know I gave that horse a carrot  
So hed break your foot  
Will the two of you cut it out  
And tell 'em what Its really all about  
Well it's true that we love one another  
I love Jack White like a little brother  
Well Holly I love you too  
But there's just so much  
That I don't know about you
