

The Wombats, Summer Hit

You gotta see there's something wrong
Your hair's fallin out and you're barely 21
Not much we can do
but to give you

Yes this is our Summer Hit
Yes this is our Summer Hit
The only thing we can give
Yes this is our Summer Hit

You're pretty desparate to get outta this town
You'd board the titanic if it was leaving now
Well you didn't set sail to cruise into this
Not much we can do
But give you

Yes this is our Summer Hit
Yeah here's our summer hit
The only thing we can give
Yes this is our Summer Hit

sha la la la laa oo
sha la la la laa oo
sha la la la laa oo

ba da ba dada
ba ba da ba dada
ba ba da ba dada

Yes this is our Summer Hit
The only thing we can give
yeah this is our sumemr hit
Yes this is our Summer Hit
This is our summer hit!

The only thing we can give

Here's our summer hit

sha la la la laa oo
sha la la la laa oo
sha la la la laa oo
sha la la la laa oo
sha la la la laa oo

Yes this is our Summer Hit!
