

# Therapy?, Lose It All

Random radio  
Static on tv  
Losing count of  
All the days and weeks

This spiral  
Has worn a groove so deep  
Cant climb out  
Pathetic, painful need

Lose it all  
Lose it all  
Lose it all  
Lose it all

I stand to lose it all

This drinking  
Drowning inside out  
Its so acute  
Nights of broken glass

Lose it all  
Lose it all  
Lose it all  
Lose it all

I stand to lose it all

Lose it all  
Lose it all  
Lose it all  
Lose it all

I stand to lose it all
