Therapy?, Teethgrinder

This feels good, nothing can stop me Every nerve pumping hard through me Every thought rushes at full speed This false smile grates through babyteeth

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth) (I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

Think to win and I'm up on it I can't lose, I've got nothing to Try me now, I'll try anything This is me, this is what I feel

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth) (I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

(Losing his mind and he feels it going) (Losing his mind) (Losing his mind and he feels it going) (Losing his mind) (Losing his mind)

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth) (I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

(I'm a teethgrinder, in my sleep I grind my teeth)
