

Thousand Foot Krutch, Courtesy Call

Hey-o
Here comes the danger up in this club
When we get started and we ain't gonna stop
We gonna turn it up till it gets too hot
Everybody sing hey-o
Tell'em turn it up till they can't no more
Let's get this thing shaking like a disco ball
This is your last warning a courtesy call

I am not afraid
Of the storm that comes my way
When it hits it shakes me to the core
And makes me stronger than before
It's not a question about trust
But will you stand with us?
Can you feel it?
Make it real
I think it might wash away tonight
Awaken from this never ending fight
It takes more than meets the eye
This war we're fighting is not just rotting

There's a rumble in the floor
So get prepared for war
When it hits it'll knock you to the ground
When it shakes up everything around
But survival is a must
So will you stand with us?
Can you feel it?
Make it real (Make me feel it)
I think it might wash away tonight
Awaken from this never ending fight
It takes more than meets the eye
This war we're fighting is not just rotting
